Current News:

1. **4th of July Boat Parade** will begin at 1:00 pm at the rock pile-mid lake (with the buoys) and be led by Terry Higgins 320-267-0715. Feel free to call him if you have any questions.
2. The DNR link to the Proposed Lake and River Drawdown Updates has been posted on our web site. The site is: <http://www.dnr.state.mn.us/areas/fisheries/littlefalls/drawdown.html>. At the bottom of the site, you can sign up to have updates emailed to you. We believe the drawdown would have an immediate, positive impact on our water quality, vegetation and the wildlife.
3. Postcard for an online opinion survey will be sent out by the DNR in mid to late June to see how people feel about the potential project. We encourage you to complete the survey as soon as possible. Please, also help your friends and neighbors who may not have computer access to complete the survey.
4. Nominations are being accepted for the Board of Director positions to be voted on at the August Picnic Meeting. Positions available are President, Secretary, and two of the five Director positions. Please volunteer and join our team of concerned lakeshore owners to make positive improvements to our lake!
5. The Board of Directors is recommending changes to the Lake Association bylaws. The changes simplify and clarify some issues. We are expanding membership to include anyone owning real estate or renting within the Little Rock Lake Watershed. The old bylaws, the red line changes, and the proposed bylaws have been posted on the Littlerocklake.org web site. Please review them. The changes will be voted on at the August Picnic meeting.
