## Spring 2023 Newsletter

From the President:

As I sit here writing this and looking out the window I notice it is snowing, again! It's difficult to think about cruising around the lake on the pontoon when the snowbanks are as high as they are.

Before we can get the boats and pontoons out, it looks like we may have to contend with some high water this spring. We are currently working on flood plans and will have more information as needed. Please consult our website, [www.littlerocklake.org](http://www.littlerocklake.org), or our Facebook page for current information. We will be working with Watab and Langola townships to secure help for those that need it for sandbagging. If you feel you will need some help, please contact the Watab Town Hall at 320-240-2270. They will keep a list and try to dispatch volunteers.

Sandbags are available at the Watab Town Hall and at Rice Hardware Hank. Sand is available for purchase at Saldana Excavating on HWY 10 and Burski Excavating on CR 2 in Rice.

With our first meeting only about a month away, I would encourage you to attend the meetings and think about volunteering to help with one or more of our activities. It seems it falls on the same small group of people to do all the work and to be honest we can use the help!

Stay safe and stay warm, and we'll see you on the lake!

Frank

For those who wish to order some plants for your own shoreline, now is the time to get your orders in. Plants can be ordered from Minnesota Native Landscapes online at [www.mnlcorp.com](http://www.mnlcorp.com) or phone at 763-295-0010. Be sure to tell them you are with Little Rock Lake Association. Grant money is available from Benton County Soil and Water District. Phone 320-968-5300 for more information.

Potted plants that have been purchased will be ready for pick up on May 6 ,2023 at 10:00 a.m. in the Rumors Parking lot. In the event that you can not make it at that time please make arrangements with a neighbor, friend or contact a board member of Little Rock Lake Association regarding alternate arrangements.

Carp contest June 3. The cost to enter is \$10.00. Each person fishing in the same boat must register to win prizes. You can sign up at Rumors.

Silent Auction. At our annual mtg each year there is a Silent Auction. The committee is looking for items that we can use and make baskets from. Whether it is one item or many we will take all donations as long as they are new or almost new. We are also looking for others to join our committee. You can contact Pat Gohla, Corinne Jacobs or Mary (Kivi) Larson or bring any items to a monthly board meeting .
