

12" and 15" patio pots available. The types of flowers and planters may vary based on availability. These pots can be either sun or shade and feature a mix of tall and flowering plants. If you wish to order flowers for hanging baskets as a patio pot, please indicate the corresponding letter for the hanging basket in the patio pot order section. Pictured are examples from previous years.

Patio tomatoes will be offered in a 12-inch pot with a cage. You can choose between cherry or regular tomato plants.
